Complt. No. 138/R- ACP/CAW/Cell/C dt. 10/4/15 ASI Surender Kr. for enquiry & report Sd. English I/C CAW Cell/C dt. 10/4/15 Received (11) Pages on 10/4/15 NODH 22/4/15 at 1130 AM 9899202591. 10th April, 2015 To THE ASSISTANT COMMISSIONER OF POLICE, Crime Against Women Cell, Central District, Delhi. COMPLAINT AGAINST SEKHAR JAIN (HUSBAND), SMT. NIRU JAIN (MOTHER-IN-LAW), NEERAJ JAIN (BROTHER-IN-LAW), ALL RESIDENT OF H.NO. 99, FIRST FLOOR, POCKET-B6, SECTOR- 4, VISHRAM CHOWK, ROHINI, NEW DELHI FOR DEMANDING DOWRY, CAUSING PHYSICAL AND MENTAL CRUELTY AND HARASSMENT AND ILLEGALLY RETAING STRIDHAN ARTICLES. I Kiranwati, after being fed up with the harassments and tortures meted out to me by my husband Sekhar Jain and his family members, am lodging the present Complaint and plead for justice against the atrocities of aforesaid cruel and greedy persons, who have completely ruined my life. The circumstances, which led to the filing of the present Complaint are as follows:- 1. I got married on 26.09.2014 with Sekhar Jain in accordance with Hindu Rites and Ceremonies at Arya Samaj Mandir, Kashmiri Gate, Delhi. It is pertinent to mention here that it was a love- cum- arrange Marriage, which was solemnized with the consent of parents from both sides. At the time of solemnization of marriage, it was represented that the parents and the family members of husband were board minded people and are against the rigidity of the caste system and consider it as a stumbling block in the integration of the Hindu religion. It is pertinent to mention here that the Complainant (wife) belongs to the lower strata of the society and hails from a Schedule Caste whereas the Husband belongs to Jain community. The affair between the parties started in the month of January, 2014 wherein the husband painted a very rosy picture about himself and his family members in order to win the confidence of the Complainant. The complainant was initially hesitant to tie the nuptial knot with the husband and categorically told him that she belongs to a Schedule Caste Family and she has apprehension in her mind whether the parents of the husband and other family members would accept her as their daughter- in- law. The husband tried to allay the apprehensions of the Complainant by arranging meeting with his mother and other family members wherein all of them gave the impression that they stand by the decision taken by the husband and have no objection to this marriage. In this backdrop, the marriage of the Complainant was solemnized with Sekhar Jain on 26.09.2014 and the Complainant was hoping to get love, affection and care from her husband and in- laws in the matrimonial home. 2. That, notwithstanding the fact that, it was an love- cum- arrange marriage, my parents tried their level best to solemnize it in a decent manner and gave a cash of Rs. One Lakhs and other Gifts in the form of TV, Fridge, Watches, Clothing, Golden rings, jewelery etc. (approximate of Rs. 1 Lakh). It was the constant endeavor of my parents to spare no rooms for having any grievances on the side of my in laws regarding dowry articles as the wanted to ensure that my matrimonial life blossoms with happiness and joy. 3. That, after the marriage, I went to my matrimonial home H.No. 99, First Floor, Pocket- B6, Sector- 4, Vishram Chowk, Rohini, New Delhi and started residing over there and cherished the hope that I would get due

recognition as Ardhgani in life of my husband and become a part and parcel of his life. I have cherished a dream that my husband would stick together with me through the ups and downs of life and we will be taking care of each other and keeping faith in each other under my circumstances, however challenging and arduous the situation may be. However, on the contrary, from the very first day of the marriage, the behaviour of my husband and his mother was very rude, abnormal, harsh and arrogant towards me. Immediately after the marriage, my Mother- in- law started harassing and torturing me by taunting, teasing, nagging as also by using filthiest language in a most abusive manner for not bringing sufficient dowry. My mother- in- law took all the jewellery articles from me in the name of keeping in safe custody and never returned to me. 4. The Complainant tolerated all these atrocities in the larger interest of the family and to save her matrimonial life and cherished the hope that with the passage of time, good sense will prevail upon her husband and Mother- in- law and they will mend their ways. However, there was no change in their behavior and rather, they were more and more wild and aggressive towards the Complainant. The Complainant was made to do all the household chores and not fed properly and thus, the status of the Complainant in the matrimonial house was relegated to that of a house maid. The Mother- in- law started taunting the Complainant by saying that "Tum mere pooja Room me mat jana Kayoki to achhut hai, Schedule Caste hai, kali- kaluti hai, hamare community me uthane baithne layak nahi hai. Meri Mati mari Gayi thi jo maine saddi ke liye ha kar di" The Complainant was shocked to hear the diatribe from the mouth of the mother- in- law and thus, it became an arduous task for the Complainant to keep the sacred and pious institution of marriage intact. 5. That when the Complainant narrated the entire episode to the husband, he cajoled the Complainant by saying that he has decided to take a separate accommodation so that the grievances of the complainant are sorted out. The Husband took a rented accommodation at N-Block, 4th Floor, Mangolpuri, New Delhi. The Complainant remained under the impression that her days of agony has come to an end by shifting to the rented accommodation, but very soon she realized that it was the modus operandi of the husband to get rid of the complainant. Many a times, the husband remained absent from the matrimonial house thereby leaving the complainant to the mercy of God. In the name of house hold expenses, the husband provided Rs. 1000/- monthly to the complainant and asked her to manage everything with this meager amount. It is pertinent to mention here that the husband is working as Service Advisor at Force Motors, Kirti Nagar, New Delhi and drawing a monthly salary of Rs. 25,000/- besides getting other incentives and perks. Whenever, the Complainant expressed her inability to run the house with this meager amount, the husband rebuked the Complainant by saying that "Tujhe agar paise ki jarurat hai to apne maa-baap se mang le. Mai tujhe is se jayada nahi deta". 6. That as a last resort, I sought the assistance of my parents, who visited the house of my mother- in- law at Vishram Park, Rohini in the presence of my husband and enquired as to why they were inflicting cruelties upon the Complainant in the name of caste and status, when every thing was made known to them prior to marriage, my Mother-in-law retorted by saying that "Agar ise ghar me Rahna hai, to do lakh rupye ke intzam karo varna ise bhagwan bharose chhor do". My parents humbly requested the Mother- in- law not to be cruel towards the Complainant and they are not in a position to arrange any money, the brother- in- law of the Complainant namely Neeraj Jain uttered that "tum to schedule caste ho, tumhe asani se loan mil jayaga". 7. That be that as it may, the Complainant tried her level best to discharge her matrimonial obligations. On the contrary, the husband use to visit the Complainant in the night at the rented accommodation at Mangolpuri, frequently indulge in physical relationship and leave in the morning time in the name of reaching office in time. On 01.11.2014, the husband came to know about the pregnancy of the Complainant and also inform his mother. The Complainant was expecting good response from the husband, but he shamelessly uttered "Apan Abortion karwa lo, mujhe bacha nahi chahiye". The Complainant was perturbed to see the mindset of the husband. Thereafter, the Mother-

in- law of the Complainant gave a call and uttered that "Tu dusre ka pap mere bete ke gale kyo bandh rahi hai. Tu kisi aur se pregnant hui hai. Tu to call girl hai, Paise ke khatir mere bete ka phasa liya". This incident left a deep scar in the minds of the Complainant. 8. That on 02.11.2014, the Complainant was not feeling well and asked the husband to take her to hospital. But the Husband left the house by saying that he will return in an hour. However, the husband did not return and rather a call was received from the Police Station in the evening, wherein the concerned Police Officials of PS Mangolpuri asked the Complainant to reach there. The Complainant immediately visited the Police Station and came to know that the husband had lodged a false complaint alleging that I was threatening to commit suicide and implicate the entire family members of the husband. The Complainant narrated the entire incident to the concerned police official, who rebuked the husband and asked him to provide medical treatment to the Complainant immediately. 9. That, on 05.11.2014, the complainant was admitted in the Bhim Rao Ambedkar Hospital for treatment. But, later on, it came to the knowledge of the Complainant that in the guise of providing medical treatment, the husband was trying to get the womb aborted by influencing the Doctors. Thereafter, the complainant returned to the matrimonial house at Mangolpuri and warned the Complainant to refrain from indulging in such acts, otherwise she will lodge Complaint with the Police. The Husband profusely apologized and uttered that he was misguided by his mother and feel sorry about it. However, the husband and his family members did not mend their ways and got the complainant admitted in family Hospital, Avantika, Rohini on 12.11.2014 in the name of medical treatment, got the signature of the Complainant on papers when she was in a semi conscious state and got the womb aborted on 14.11.2014 saying that there were many complications and thus, succeeded in their nefarious and sinister motives. 10. That the Complainant returned to her parents house at 52/19-C, Gali No. 17, New Basti, Anand Parbat, New Delhi, and remained there till 11.01.2015 as she was not well and suffering from weakness. Thereafter, the husband visited the parental house of the Complainant, and requested them to bury the past hatchet and took the complainant to matrimonial house at Mangolpuri. The family members of the complainant were suspicious about the sudden heart change of the Husband, but permitted the complainant to accompany the Husband in the larger interest of the matrimonial relationship. 11. That on 11.02.2015, the Father-in-law of the Complainant expired but the Complainant was not permitted to see the dead body or pay her last tributes to the Father- in- law, for the reasons best known to the husband and the mother- in- law. It is pertinent to mention here that during his life time, the father- in- law of the complainant always tried to give a piece of mind to the Mother- in- law and the Husband to behave properly and respect the dignity of the Complainant, but no fly swirled on their ears. The utter callous attitude of the husband coupled with his irresponsible habits caused enormous amount of strain and stress in the life of the Complainant. 12. That in between, the Complainant got pregnant and was expecting that the husband and the Mother- in- law will mind their ways but very soon, the Complainant realized that she was hoping against hope. The husband started behaving with the Complainant in erstwhile cruel manner and insisted to get the womb aborted and refused to provide any maintenance, what to talk of providing any medical treatment. 13. That, in these excruciating circumstances, finding no ray of hope from any quarter, the Complainant lodged her complaint with the Delhi Commission for Women on 16.03.2015, hearing took place and the Respondents were served on 31.03.2015, wherein they were summoned to appear before the commission on 29.04.2015. 14. That after receiving the Summons, the husband, brother- in- law and the Mother- in- law went berserk, misbehaved with Complainant and abused her in a most filthiest and vulgar manner. The Complainant is deeply perturbed by the behavior of the husband and Mother- in- law and fear for the safety of her life and limb and living with her parents at 52/19-C, Gali No. 17, New Basti, Anand Parbat, New Delhi under compelling circumstances. I, therefore, pray your goodself to take appropriate legal action against my

husband, brother- in- law and my Mother- in- law, who have caused immense physical and mental cruelty, domestic violence, demand for dowry, and illegally retained my stridhan articles and criminally intimidating the threatening to get the womb aborted or to face dire consequences and humiliated me in the name of being born in the Schedule Caste. I also request for restoration of all my belonging i.e. Istri Dhan which was given and illegally retained by my Mother- in- law. Yours faithfully Sd.
